IREADY STARTS THIS WEEK

Our students work on an iReady learning path each day on their devices to build their skills for grade-level success. Personalized lessons make learning active and engaging for students.

They also take the iReady Diagnostic 3 times a year. This testing is essential; we take it seriously at Mary Wright.

This diagnostic lets the teachers know how well your child performs in reading and math and what they need help with.

Parents receive reports throughout the year. I will have our first Donuts and Data meeting on September 28th @ 3:00.

Please help your child be prepared to do their best this week on the diagnostic.
