Dear Parents,

With more students beginning this year in virtual school, it is important that we get good testing information in order to better serve students this summer and the next school year.

If you did not sign up to bring your child to school on testing days, you still can bring them. We currently have one 5th grade virtual class, one 3rd grade virtual class and one 4th grade virtual class. It would be wonderful if all our virtual students could be tested on the days scheduled.

REPORT AN ABSENCE

Please make sure you send excuses when your child is absent. Sometimes, we get excuses, and we don't know who sent it. Make sure you include your child's first and last name and the date(s) they were not in school and the teacher's name. Here is an example of one that you can use.

Ms. Smith, please excuse Name of student from school on Date(s) they were not at school. She was sick. Parent signature
