Parents,

We are off to a great start this year! Thank you so much for your support in getting into the school routine as this is a year unlike any other. While there have been many changes this year, I am excited to see our students learning while adapting to them. They have been champs by keeping their masks on and following the safety protocols we have put in place.

This year will be a challenge not being able to host events in the building and take field trips. Your child may go on a virtual trip and we will have a virtual PTO soon and will send information out to everyone.

Our first event is this Friday. We are asking everyone to wear their favorite College Colors. Please take a picture of your child and Post with this hashtag:

#D7CollegeColorsDay
