Parents,

I am wishing you a very special holiday. I am praying that you and your family stay safe and healthy during this holiday break. Mrs. Jordan

Virtual Parents,

1- If your child is returning to school on January 5th, please come by the school and pick-up paperwork to fill out. It must be done before they can return.

2- Since students will not have assignments due over the break, I am asking you to please take up all devices and put them aside until we return on January 5th. This will ensure that the devices are kept free from breakage and damages over the break.
