VIRTUAL BHM PROGRAM FEATURING MHW STUDENTS/STAFF

Dear Parents,

This week we will celebrate Black History Week. We will begin with a coloring contest and in PE, students will learn about "Stepping."

Virtual students can participate also by visiting a virtual African American Museum:

And Step Afrika:

Tuesday is dress-up like a famous African American Day. I will dress-up as Octavia Spencer, author, producer and the first black female actress with 3 Oscar nominations. I am looking forward to seeing everyone participate.

Nelson Mandela reminds us how important it is that we encourage our children to dream and never give up. Remember winners never quit and quitters never win. Having a dream without setting goals is like setting out on a cross-country trip without a map. If your child is struggling in math, set a goal to study each night to help them learn how to figure it out, don't give up.
