### 2020-2021 SCHOOL CHOICE APPLICATION PROCESS & TIMELINE

District 7 families have the option of applying to attend a different school within the district through our School Choice program. If you wish to enroll your child in a school other than the one he/she currently attends (or is assigned to attend next year based on your residence, if your student is moving up from elementary to middle school), **you must submit a completed School Choice application online no later than February 28, 2021.**

Applications will be available at [spartanburg7.org/SchoolChoice](http://spartanburg7.org/SchoolChoice) starting Tuesday, January 19. Space is limited and applications are processed in the order they are received. **Students already participating in School Choice do NOT need to apply again.**

Parents,

I need to talk to you about a serious matter. Some of our students are arriving at school between 8:30-9:00. I can't stress enough how important it is for you to have your child at school before 7:50. Students are tardy if they are not here before 7:50.

Our teachers pick up students from holding areas at 7:30 and breakfast and morning work begins as soon as they enter the room. Morning work is a review of assignments previously taught. New instruction begins at 8:00. When your child comes to school between 8:30-9:00, they miss instruction. This accounts for 2 ½ hours of missed lessons. This puts your child in a predicament of continuously trying to play catch up.

I am begging you to please have your child at school each day before 7:50.

Thanks for your support.

Mrs. Jordan
