2020-2021 SCHOOL CHOICE APPLICATION PROCESS & TIMELINE

District 7 families have the option of applying to attend a different school within the district through our School Choice program. If you wish to enroll your child in a school other than the one, he/she currently attends (or is assigned to attend next year based on your residence, if your student is moving up from elementary to middle school), **you must submit a completed School Choice application online no later than February 28, 2021.**

Applications will be available at spartanburg7.org/SchoolChoice starting Tuesday, January 19. Space is limited and applications are processed in the order they are received. **Students already participating in School Choice do NOT need to apply again.**

Learn more at spartanburg7.org/SchoolChoice.

IMPORTANT INFORMATION

Your child will take 3 important assessments in the months of April and May, the iReady Diagnostic (K-5th), SC READY (3rd-5th), and SC PASS (4th Grade Only).

All students, virtual and face to face will take these assessments at the school. I recently posted a link to a poll on Class DoJo for virtual parents to let me know if you are willing to bring your child to school to take these assessments. The link is below if you have not taken the poll. This will give us an idea of how many spaces we would need to prepare.

Students do better on assessments when they are in a testing environment. You have 2 months before the tests will start to make this decision.

When it is time for the test, we will send out information that you will need to know so that you can bring your child to school. Thank you so much for all you do.

Mrs. Jordan
