### UPDATE YOUR INFO

If you have changed your phone number and/or address, email address, please call the office to update your information. It is very important that we can contact you in case of an emergency. If you have not signed up on Class DoJo, contact your child's teacher.

Welcome back to our students returning from virtual.

Parents,

We can't wait to have our classrooms filled with children again! I hope everyone enjoyed the holiday season and that your children are as excited to be back, as we are excited to have them!

As we enter a new year, we often create resolutions. We take this time to reemphasize our vision to inspire a passion for learning in our students that motivates them to be lifelong learners. We live these words each day as we strive to deliver the best instruction, based on what our students need individually.

In 2021, I encourage you to be a cheerleader for your child's continued academic success. Please motivate them to study, read daily, and complete assignments.

As always, if there is anything, I can do for you, please contact me.

Warmest regards,

Mrs. Jordan
