Fourth Grade- **May 20th** Science

Students need to bring their devices fully charged to all testing sessions

SAVE THE DATE

MACBOOK DROP-OFF FOR VIRTUAL STUDENTS

IS MAY 21ST –Bring Charger

TEACHERS WILL HAVE A PACKET PREPARED

FOR THE WEEK OF MAY 26TH -30TH

Dear Parents,

This will be another busy week of testing for our students. Our students worked very hard last week and was focused. Teachers turned in 89 names of students in 3rd-5th who worked hard and tried their best. We awarded 30 prizes. We will do the same this week.

Please encourage your child to do his or her best and stay focused. It helps to make sure they are in bed on time and at school early so that they can eat a hot breakfast.

Bobcat Strong- We Got This!

Order from our store to support our school. Proceeds go to MHW PTO
