Dear Parents,

I can not believe how fast this year has gone. We only have two more weeks of school left and a lot to do. Please make sure you are checking your child's folder for information about these last days of school.

Field day is this week. Students will be outside on a specific day for a short period playing games with their classmates. Due to safety precautions, we can not have visitors during field day.

Please come to see our 4th and 5th grade students perform on the 18th. Students who are performing will remain at school until their performance. We will serve them dinner.
