Dear Parents,

This will be a busy week of testing for our students. You can help by making sure your child:

1. Go to bed on time to get enough sleep.
2. Keep their routine as normal as possible.
3. Is at school before 7:30 AM.
4. Dresses in comfortable clothing.

You can also help by:

1. Talking about the test but don't dwell on it.
2. Planning ahead to avoid conflicts the morning of the test
3. Speaking positive about the test and encourage your child to do their best.

Order from our store to support our school. Proceeds go to MHW PTO
