

BOBCAT NEWSLETTER

May 13, 2024

Hey parents,

We are excited that there are 2 more weeks of school left. We have had a successful year, and I want to thank you for all you do to make educating your child(ren) easy. As we wrap up the year, I ask that you continue to send your child(ren) to school.

It is NOT cool to stay out of school.

We have too many families not registered. If you need help, come by the front office or call Ms. Tate. Our goal is that 80% of families to register before school starts. You will need to register in order to find out your child's teacher in August. Thanks for taking care of this now. Link is below
