

Brick Order Form for the Fine Arts Center Plaza

Spartanburg School District 7 is offering opportunities to purchase 4x8” customized, engraved brick pavers to be installed in the entrance plaza of the new Fine Arts Center at Spartanburg High School for \$100 each. Proceeds from the brick sales will support student scholarship. Your gift is fully tax-deductible. Pavers can accommodate up to three lines of text with 20 characters per line (including spaces).
