June 2nd.....Weather Make Up day (if needed)

While efforts are made to keep all dates as planned, occasionally circumstances beyond our control cause a change in a date and/or time for an event. We also add other events to the calendar during the school year. Any of these changes will be communicated using our school's phone communication system, principal's newsletter, and JBE social media pages.

***These dates are built in snow days. Should students miss school due to inclement weather, these days will become normal school days.
