

5th Grade

Ultimate-Gamer Status

Hello 5th graders! Are you ready to be an ULTIMATE-GAMER? This year we will focus on ACHIEVEMENT, CHARACTER, and TEAMWORK as our areas to earn your ULTIMATE-GAMER status. Once you earn your ultimate-gamer status, you will be recognized at Coffeehouse and earn your ultimate-gamer reward. Please see the requirements below:

ACHIEVEMENT:

Choose a Science OR Social Studies related topic of your choice.

Research your topic and create a visual project to inform us about what you know and have learned from your research. Some ideas of visuals you can create are: (PowerPoint, Diorama, visual board, scrapbook, gameboard, non-fiction self-created book, etc.)

CHARACTER:

Students will choose 4 out of the 10 IB Learner Profiles to complete this section. The Learner Profile is listed and described on the back of this sheet. Students will need to provide evidence of their action AND a written reflection of each IB profile they choose. They may take a picture or video to submit with their reflection. This action must be during THIS school year.

TEAMWORK:

Teamwork makes the dreamwork! Students can write a reflection on how they work well as a team inside and outside of school. You may think about how you work in groups, what it takes to be part of a team sport, how well you must work and get along with your family. There will also be opportunities throughout the school to donate to a good cause. Each 9 weeks, we will have a donation drive to contribute to a charity cause. If your child donates to this cause, this will count toward their TEAMWORK earning.

QUESTIONS/COMMENTS:

Please ask us if we can help in any way. Students love being recognized for their hard work about and beyond the classroom. We cannot wait to celebrate our new ULTIMATE-GAMERS soon! GAME ON!
