

CALLING ALL SUPERHEROES IN TRAINING...

Your mission this year is to complete the following to be reach the status of Superhero!

A-Achievement (Academic)

You will choose any topic of interest and create a PowerPoint presentation to share with your classmates. Your presentation should:

_____Cover the topic in-depth with details and examples

_____Include at least five slides (not including title slide)

_____Content should be well organized and include some of the text and graphic features we have discussed in class (headings, illustrations, maps, charts, italicized words, bold print, etc.)

_____PowerPoint presentation has been edited (free of spelling, punctuation, capitalization, and grammatical errors) and is creative.

_____Presentation is well-rehearsed

C-Character (Action)

Look for a problem in the community, at school, or at home. Determine a solution and take action to solve it. Create a poster or booklet to share with the class.

T-Teamwork & "Times"

In third grade, we work on multiplication fluency. As part of your teamwork you will work with another student in class as their "times buddy" to practice and work towards mastering your multiplication times tables. Our classroom family will make observations of teamwork throughout the year to hold everyone accountable.
