

Leveling Up in 2nd Grade

The "Ultimate Gamer" project is one that the whole school will be participating in. It is based off the acronym ACT and grade level standards. Students will work on most of these projects at home, and some of them at school. They have all year to earn their cape.

A Reading Project

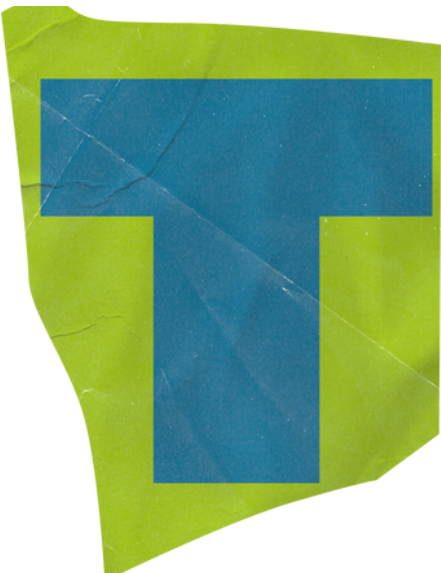

In order to earn the A part of this project, you must complete A Fiction or Non-Fiction reading project. You will choose a fiction or non-fiction book of your choice and complete a project on that book. You will choose between creating a power point, a poster, or a book!

*See details on the back!

Community Impact

In order to earn the C part of this project you must volunteer and/or complete an act of kindness in the community. With this project you will need photographs of your event and a few sentences explaining what it is you did to impact the community in a positive way!

Timed Addition

In order to earn the T part of this project, students will complete a 100-question timed addition test! This will take place in class!

Students will have many opportunities throughout the school year to earn this part of the "Ultimate Gamer" project!

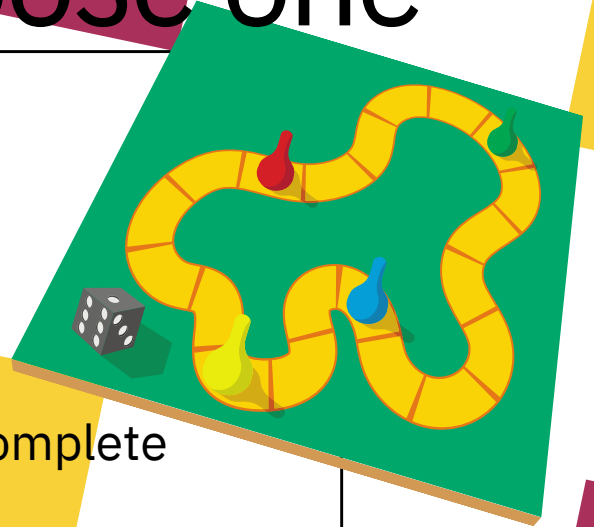

Leveling Up in 2nd Grade

Reading Project Choose one
