November 13, 2020

**The last D7 Flu Clinic is tomorrow,
SATURDAY, 11-14-2020
10-1 at Spartanburg High School**

The deadline for the PSS spirit shop for fall and winter is **NOVEMBER 27th**, but it will reopen in the Spring. We want to make sure everything is shipped to the school for families by December 14th - before winter break!

PSS Spirit Day
November 17th, 2020

<https://bluemoonsc.square.site/>

Use code PSS at online checkout or in person
for \$1 off!

Store hours: 7:30 am – 6 pm

 **Calling all foodies!!!** 

Stop by or shop online @ Blue Moon Specialty Foods located @ 130 South Church Street for breakfast, lunch, meals to-go, or holiday shopping. Curbside pickup is available! Make sure to mention you are supporting Pine Street School or use the above coupon code when ordering online. 10% of all sales will be donated directly to our school!

Please **continue to take your child's temperature before they leave your house every morning.** This will allow you to monitor your child's temperature and avoid a call from the school to pick up your student if they display a temperature above 100 F upon arrival. **All students and staff who arrive PSS will be required to have a temperature check.** Staff and students who arrive at school with a temperature at or above 100 F or display COVID-19 or flu-like symptoms will be asked to return home.

Please be socially responsible and remain home if you are sick.

If a student becomes sick at school, he/she will be isolated in a designated area of the school building, away from the rest of the school's population, with an adult. We ask that you pick up your child within an hour of being notified that your child is ill.

Masks will be required at all times when moving through the building. We expect students to wear masks to protect themselves and others. Teachers will wear masks or shields as well. Teachers have the discretion to give students the option to take their masks off in their classrooms once students are seated.

There are hand-sanitizing stations throughout the school as well as hand sanitizer, and cleaning supplies within each classroom. Students will be encouraged to also wash their hands frequently.

Under normal circumstances, we would be happy to welcome visitors to our campus. However, to ensure our student's and staff's safety, we ask that you refrain from coming to campus unless it is absolutely necessary to do so. Upon arrival, all visitors will have their temperature taken.

The Picture Make-Up day (11/19/20) is for any student who missed the first picture day earlier this fall. Our friends attending virtual classes are also all invited to have their picture taken/made. Your teacher has already given you that information.

Holiday Portraits are PRE-PAY only. The order form is attached to the email and a paper copy will come home next week with each student.
