Assistive Technology:
Helping You Help Your Students

The Assistive Technology (AT) team works to provide necessary tools to maximize a student's potential for full access in all settings, increasing performance, achievement, and independence.

We serve students:
- in all grades
- in general education
- with 504 plans
- with IEPs

Supporting students with:
Reading - Writing
Math - Organization
Motivation - Behavior
Communication

Referral process:
The AT referral form is located on the D7 website under Resources > Special Education.
Send completed forms to
Michele Cole (mwcole@spart7.org) - Secondary Level
Emily Tallon (etallon@spart7.org) - Elementary Level
